## Clothing Brochure

[sales@atire.ie](mailto:sales@atire.ie)

SafetyCare make ordering clothing and workwear easy. We stock many leading brands to protect you and your personnel from the hazards you may face everyday cold, wet, wind, etc. At SafetyCare, we care about you and seek to provide the correct and appropriate work wear for the particular conditions you are working in. Ask us about having your company name or logo branded onto clot project a positive corporate image.

SafetyCare have “in house” state of the art machinery to carry out branding of garments in minimum time.

## Embroidery

Garments can be embroidered direct or on badges and then sewn on afterwards. Very durable – would normally outlast garment and can be industrially laundered. Quick turnaround time.

## Heat Sealing

Transfers and badges are transferred and bonded to the garment fabric through a high heat process. High quality image definition, no set up charge, badges can be held instock for garment call off. Can be industrially laundered.

## Online Ordering & Man Packing

SafetyCare offer an On-Line ordering system bespoke to Customer needs with 24h access. This can greatly simplify ordering, tracking orders and controlling company spending budgets. This system keeps track and records of all employee data, depot activity and spend per depot. Using the On-Line ordering system SafetyCare can Manpack all orders so that each staff member receives their uniform individually packed and labelled – this taking the hassle out of uniform distribution.
